FIND YOUR NEW HOME

As part of the programme we offer accommodation to our Fellows. Our apartments are fully furnished and newly renovated. They are located in the same street, facing each other, thus allowing the participants to form a diverse community and participate in onsite events.

RUE ANDRÉ FAUCHILLE 6

The Fauchille 6 (RF6) house is situated in Woluwe-Saint-Pierre, just a few minutes walk from the Montgomery metro station where you will be able to take public transport to every corner of the city. The apartment has 3 floors with 11 rooms, a big kitchen and common area where most of the ELP events take place. You'll also have access to a nice garden inside the house, as well green spaces, broad avenues and family-friendly atmosphere in the neighbourhood.

RUE ANDRÉ FAUCHILLE 3A

The Fauchille house 3A (RF3) is located on the same street as the Fauchille house 6, where the two houses also face each other. This house has been refurbished in 2021. It has 3 floors, with 8 rooms for 9 people (one room has two single beds), a big kitchen and living room to mingle. Both houses are part of a very quiet neighbourhood and have access to all the necessary facilities.

The housing is part of the European Leadership Programme. To be eligible for such you need to be enrolled in the Programme full-time. For more information on the applications click below.
